CITY OF ASBURY PARK WINS “BEST OVERALL PUBLIC INFORMATION PROGRAM” IN 57TH ANNUAL RUTGERS CENTER FOR GOVERNMENT SERVICES INFORMATION CONTEST

10/15/18, Asbury Park, NJ – The City of Asbury Park earned Best Overall Public Information Program in the 57th annual Municipal Public Information Contest sponsored by the Center for Government Services at Rutgers, The New Jersey Municipal Management Association, and the New Jersey State League of Municipalities. The Municipal Public Information Contest is a recognition program designed to honor initiatives to increase the public’s awareness of government operations, strengthen community ties, and provide useful information and services to its citizens.

Entries were garnered from a state-wide solicitation of New Jersey’s 565 municipalities. The City of Asbury Park’s entry packet included the website, social media channels, cable access bulletins, press releases, newsletters, public service announcements and more. Entries were judged for content, clarity, appearance, and the ability to lend itself to further use and adoption by other municipalities. Municipalities were judged in the following categories: Best in Class, Best Print Media, Best Digital Media and Best Special/Innovative Media.

The City will be presented with the award at the upcoming New Jersey State League of Municipalities annual conference in Atlantic City in November.

“Communication from any government organization is always a work in progress,” said Mayor John Moor, “We’re proud to receive this honor which shows we are headed in the right direction.”
