IX Announcements:

United by Blue, a Philadelphia conservation group will bring 100 volunteers to clean sunset lake Park and maybe they can also go along Deal lake since it's close. We have to work out logistics.

I'd like the Commission to support this together with the Conservancy. Wendy will take the lead. They'll bring a tent and tables and manage the crews. Must be September 10 from 9-11 am because Corona wants the area looking good for SHN. Corona is giving two sets of tickets to SeaHear Now as a raffle prize. I think United by Blue will provide some snacks.
