Meeting Agenda

1. Community/green fest- possible to come up with some kind of ordinance or guidelines for all special events. Example of key west special events application
2. Water Story
 - Form of Report- video or conventional report? All members agree that written report also important to have for integration with master plan and other elements. Agree to write main report & important elements of report in a video. Will ask APTV if any volunteer to make the video.
 - Integrating the Lake Commissions- find out from technical assistant what information we need from the lake commissions & meet with the commissions to discuss. Suggestion to include equity committee to meetings. Also invite Jason from Monmouth to meeting to share/include data collected from all lakes.

2. 2022 meeting dates and format- all vote that continue same virtual format & time for meetings for next year.
3. Sustainable Jersey Grant- Compost Education – have 40 bins, got 41 requests, starting to distribute them. NJ compost council will do educational
4. KAB Cigarette Disposal Grant- good to have them at high smoking points like watermark, langosta, entry to boardwalk, entry to parks.
5. Public Comment-

Derek- coastal resiliency next steps

Eileen- one of things hear at coffee w councilperson is they don't know what to do with yard clippings- is there opportunity for city to provide reusable yard bags? Yvonne- waste contractor should pick up all yard waste. Suggest have Sonia do social media blast in meantime for yard waste. Project for spring- work on having a yard waste pickup day
