Public Notice
Consolidated Annual Performance Evaluation Report (CAPER)
Community Development Block Grant (CDBG)
Program City of Asbury Park, New Jersey

The City of Asbury Park has prepared its Consolidated Annual Performance and Evaluation Report (CAPER). The CAPER concerns actions and accomplishments in program year 2020 (July 1, 2020 through June 30, 2021) regarding the City's Consolidated Plan. The Consolidated Plan was adopted to enable the City to apply to the U.S. Department of Housing and Urban Development (HUD) for funds under the Community Development Block Grant (CDBG) program. This five-year plan includes an assessment of housing and homelessness needs in the City, a housing market analysis and a strategic plan to address housing and non-housing needs. In addition, a one-year Action Plan must be completed each year of the Consolidated Plan. It consists of three basic parts: 1. A summary of resources and programmatic accomplishments, 2. The status of action taken during the year to implement the City's overall strategy to address housing and non-housing needs, and 3. An evaluation of progress made during the past year in addressing identified priority needs and objectives. The primary Consolidated Plan objective for the program year were as follows:

1. Develop a housing system with mechanisms for the production, distribution and financing of a variety of housing types for households of all income levels.
2. Assist the homeless and those at risk of becoming homeless through a coordinated effort with those Monmouth County public and non-profit agencies that provide homeless services.
3. Provide various type of housing assistance and services to the special needs segment of the City's population.
4. Provide a suitable living environment for low and moderate income residents of the City.

In addition, beginning August 28, 2021, a copy of the CAPER will be available for public inspection on the City of Asbury Park's website at www.Cityofasburypark.com. Comments on the CAPER or the City's general community development performance can be forwarded to Cassandra Dickerson, Director of Community Development Block Grant Program at 1 Municipal Plaza, Asbury Park, by email at Cassandra.dickerson@cityofasburypark.com or by telephone at 732-502-5753 or 732-502-4580.

All written and verbal comments received within the following 15 days shall be attached to the CAPER and submitted to HUD. The 15-day Public Comment Period begins August 28, 2021 through September 12, 2021.
