

ASBURY PARK POLICE DEPARTMENT STANDARD OPERATING PROCEDURE

BODY WORN CAMERAS

BY THE ORDER OF:
CHIEF OF POLICE DAVID KELSO

OF PAGES:
21

EFFECTIVE DATE:
January 26, 2022

ACCREDITATION STANDARDS: 3.5.5

PURPOSE The purpose of this standard operating procedure is to maintain guidelines for the use, management, storage, and release of audio-visual media recorded by body worn video/audio cameras (BWC). BWC is intended to enhance officer safety, produce effective materials for training and to produce an additional method of collecting evidence to prosecute those who violate the law.

POLICY It is the policy of the Asbury Park Police Department to utilize body worn video/audio cameras (BWC) to assist agency personnel in the performance of their duties by providing an accurate and unbiased recorded account of an incident.

All personnel shall use this equipment (including accessing recordings) consistent with manufacturer's guidelines, this SOP, and those policies or guidelines issued by the New Jersey Attorney General and Monmouth County Prosecutor's Office. Failure to use this technology in accordance with this SOP and those policies or guidelines issued by the New Jersey Attorney General and Monmouth County Prosecutor's Office can result in discipline.

The use of BWCs with electronically enhanced audio/visual capabilities such as infrared/night vision features are not authorized.

The Asbury Park Police Department website/webpage shall contain a clear statement that this department utilizes body worn video/audio cameras. The website posting shall include an image showing what the device looks like and how it is to be worn by uniformed officers or plainclothes detectives so that citizens will be able to determine whether an officer is equipped with the device. The Chief of Police shall provide certification to the Monmouth County Prosecutor's Office of this general notification to the public.

Any willful or repetitive violations of this SOP shall be reported the Office of Professional Standards who shall report directly to the Chief of Police and Monmouth County Prosecutor's Office. The Monmouth County Prosecutor is authorized to take such actions as are reasonable and necessary to ensure compliance with this SOP and to prevent future violations.

This SOP is developed by the Asbury Park Police Department for internal use only and does not enlarge an officer's civil or criminal liability in any way. This SOP should not be construed as the creation of a higher standard of safety or care in an evidentiary sense, with respect to third party claims. Violations of this SOP can only be the basis of a complaint by this department, and then only in an administrative disciplinary setting.

PROCEDURES

I. DEFINITIONS

A. For purposes of this SOP, the following terms are defined:

1. Activate – means to actuate (put into operation) the recording mode/function of a BWC.
2. Advisement – a statement made by an officer at the outset of using a BWC camera to record a communication, conversation, or interaction with a civilian for the specific purpose of informing the civilian that the communication or conversation is being recorded.
3. Body worn audio/video recorder (BWC) – is an officer worn device that makes an electronic audio/video recording of activities that take place during any law enforcement action. The term does not include any form of electronic recording device worn by a law enforcement officer while acting in an undercover capacity nor does the term include an electronic recording device when used to comply with the requirements of Court Rule R. 3:17 (electronic recording of station house custodial interrogations).
4. Constructive authority – involves the use of an officer's authority to exert control over a subject (see *SOP on Use of Force*), except that the term shall apply only to constructive authority directed against a person who is subject to an investigative detention or arrest (e.g., "...show me your hands," "...get out of the vehicle", etc.), or directed against any person if the officer has unholstered a firearm or CED (e.g., "...move out of the way", "...get down", etc.).
5. Deactivate – means to shut off the recording mode of a BWC.
6. Digital evidence – includes photographs, images, audio, and video recordings that are stored digitally.
7. Equipped with a BWC – means that an officer is wearing a BWC at the time in question, as opposed to simply receiving BWC equipment from their agency.
8. Force – has the same meanings as defined in this department's *SOP on Use of Force*.
9. Investigation of a criminal offense – means any police activity pertaining to the investigation of an indictable crime, disorderly persons offense, or petty disorderly offense, or operating while intoxicated offense including, but not limited to responding to a report of a possible criminal offense, an investigative detention based on or leading to reasonable and articulable suspicion to believe that a criminal offense has been or is being committed, an arrest for a criminal offense, an interview of a potential witness to a criminal offense, or canvassing an area, neighborhood, or premises for potential witnesses to a criminal offense.

10. Proactive enforcement team – includes officers who are typically assigned to target vice, drugs, organized street crime, violent crime and/or any other targeted enforcement. Unlike officers who are responsible for responding to traditional calls for service, these officers are typically assigned the singular responsibility of addressing these activities (e.g., street crime unit, crime suppression unit, etc.). The nature of their work may include being dressed in traditional uniform, modified uniform, or plain clothes. These officers may work alongside undercover officers, conduct surreptitious surveillance, engage in high intensity enforcement via motor vehicle/pedestrian stops and/or interact with confidential informants or witnesses who wish to remain anonymous.
11. School – means a public or nonpublic elementary or secondary school within this State offering education in grades kindergarten through 12, or any combination of grades, at which a child may legally fulfill compulsory school attendance requirements.
12. Serious bodily injury – means bodily injury which creates a substantial risk of death, or which causes serious, permanent disfigurement or protracted loss or impairment of the function of any bodily member or organ. for purposes of this SOP, serious bodily injury and serious bodily harm have the same meaning.
13. Significant bodily injury – means bodily injury which creates a temporary loss of the function of any bodily member or organ or temporary loss of any one of the five senses.
14. Subject of the video footage – means any law enforcement officer, suspect, victim, detainee, conversant, injured party, or other similarly situated person who appears on the body worn camera recording and shall not include a person who only incidentally appears on the recording.
15. Substantive report – means a report that includes a detailed accounting of the incident. It does not include a report which simply refers to other reports or to the existence of BWC or other camera recordings.
16. Tactical team – is a group of officers who are specially selected, trained, and equipped to handle high-risk incidents including, but not limited to, those involving snipers, barricaded persons, warrant services, apprehensions, acts of terrorism, and other situations or activities as deemed necessary by command leadership.
17. Tagging – is an electronic labeling of an electronic file captured by a BWC.
18. Undercover officer – is a law enforcement officer operating with an assumed identity and/or disguise for the purposes of gaining the trust of an individual or organization to learn or confirm confidential information or to gain the trust of targeted individuals to gather information or evidence. Plain-clothed officers and detectives are not considered undercover officers unless working with an assumed identity and/or disguise.
19. Youth facility – means a facility where children assemble under adult supervision for educational or recreational purposes, such as day-care centers, youth camps, residential and/or treatment facilities, etc.

II. GENERAL ADMINISTRATION

- A. BWC recordings are invaluable to law enforcement for evidential purposes. BWC have demonstrated its value in the prosecution of criminal, traffic, and other related offenses and to protect officers from false claims of misconduct. Additionally, this equipment will provide valuable instructional material that can be utilized for in-service training programs.
- B. While visual and audio evidence may be captured on the recordings, the use of BWC is not intended to document all evidentiary material relevant to court or administrative proceedings, but it can serve to supplement an officer's senses and eyewitness account. There is no intent to utilize the BWC as a management tool to punish officers for minor departmental rule infractions.
 - 1. Officers shall not be subject to criticism for the proper exercise of lawful discretion in enforcement matters.
 - 2. BWC shall only be utilized for legitimate law enforcement purposes.
- C. Adequate safeguards are necessary to ensure that this technology is:
 - 1. Used in a non-discriminating way.
 - 2. Used to document evidence.
- D. When properly used, this equipment will have the following capabilities:
 - 1. Creation of accurate documentation of motorist contacts and other patrol related activities.
 - 2. Preservation of an audio and video record of events, actions and conditions during arrests, critical incidents, and prisoner transports.
- E. These recordings will serve the following purposes:
 - 1. Recordings serve as protection for police officers when there are complaints about their conduct or professionalism during encounters with the public.
 - 2. The recordings can be introduced into evidence in criminal and motor vehicle prosecutions as well as in civil litigation.
 - 3. The recordings can resolve disputes concerning what occurred during particular incidents, thereby protecting both the public and the officers involved.
 - 4. When complete recall is not possible, such as when multiple events are happening simultaneously or out of an officer's line of sight, an audio/visual recording can provide an accurate record of events.
 - 5. Subject to the reviewing restrictions in this SOP, supervisors will be able to view the recordings and select portions to use to train officers in safety, field training, interpersonal skills, proper police procedures, and legal doctrines.

6. Recordings can permit supervisors to undertake more meaningful performance evaluations.
 7. Recordings augment management's ability to evaluate its basic police practices and interactions between its personnel and the general public.
 8. Recordings enhance management's ability to train personnel in proper police procedures.
- F. Repairs to any BWC equipment shall only be performed under the direction of the Chief of Police or his/her designee.
- G. The Chief of Police shall maintain a training program on the lawful and proper use of BWC equipment. The Chief of Police may designate one or more persons to coordinate and/or conduct such training.
1. Only officers who have received training in the use of BWC are permitted to use this system and must demonstrate a satisfactory degree of familiarity and efficiency in the use of this system.
 2. Proper use of a BWC is considered an essential job requirement.
- H. BWCs are intended for official police department use only and are not to be used for frivolous or personal activities. Intentional misuse or abuse of the units will result in disciplinary action.
- I. This department will not tolerate the reliance by any officer on race, ethnicity, gender, gender identity, gender expression, sexual orientation, religion, economic status, age, culture, LGBTQ+ status, or any other immutable characteristic of a group or class of persons, in determining whether to activate or deactivate a BWC.
- J. All recording media, images, metadata and audio are sole intellectual property of the Asbury Park Police Department and will not be copied, released or disseminated in any form or manner outside the parameters of this SOP without the expressed written consent of the Chief of Police or the Monmouth County Prosecutor.
- K. Under no circumstances will any employee of the Asbury Park Police Department make a personal copy of any recorded event without the permission of the Chief of Police or the Monmouth County Prosecutor.
- L. Officers will use only those BWCs approved and issued by the Chief of Police. Such BWCs shall not be capable of recording images or conversations that cannot be seen or heard by the officer wearing the device without the expressed approval of the Monmouth County Prosecutor or his/her designee. Wearing any personally owned video/audio recorder is not authorized without the expressed permission of the Chief of Police, the Monmouth County Prosecutor's Office, or the New Jersey Division of Criminal Justice. Violations will be subject to disciplinary action, up to and including termination.
- M. BWCs shall be used only in conjunction with official law enforcement duties.
1. Officers engaged in undercover operations or surveillance activities are not required to utilize BWC.

2. BWC shall be used only in conjunction with official law enforcement duties. The BWC shall not be used to record:
 - a. Encounters with undercover officers or confidential informants; or
 - b. Strip and body cavity searches; or
 - c. When the officer is on break or otherwise engaged in personal activities; or
 - d. In any location where individuals have a reasonable expectation of privacy, such as a restroom or locker room; or
 - e. When the officer is involved in counseling sessions, guidance sessions, personnel evaluation interviews, or other supervisor-subordinate interaction; or
 - f. When the officer is engaged in police union business; or
 - g. Inside of schools, youth facilities, hospitals, medical facilities, or places of worship, unless directly related to an incident that warrants recording, see section III.B of this SOP; or
 - h. While discussing criminal investigation strategies.
3. Officers are not required to wear and use a BWC:
 - a. When engaged in hostage negotiations.
 - b. When processing crime scenes.
 - c. When conducting searches of cellphones, tablets, computers, or other electronic devices pursuant to a search warrant, when such items have already been seized and the search is performed at a location other than the premises of the initial search and seizure.
 - d. When conducting searches of cellphones, tablets, computers, or other electronic devices that are suspected to contain images of child sexual exploitation.
4. BWCs shall not be used surreptitiously.
5. BWCs shall not be used to gather intelligence information based on 1st Amendment protected speech, associations, or religion, or to record activity that is unrelated to a response to a call for service or a law enforcement or investigative encounter between a law enforcement officer and a member of the public, except in accordance with any applicable guidelines or directives promulgated by the New Jersey Attorney General.

6. Any recordings from a BWC recorded in contravention of this SOP or any other applicable law shall be immediately brought to the attention of the command staff and immediately destroyed by the command staff following consultation and approval by the Monmouth County Prosecutor or Director of the Office of Public Integrity and Accountability. Such recordings shall not be admissible as evidence in any criminal, civil, or administrative proceeding, except as evidence in any proceeding related to the unauthorized use of a BWC.

III. INCIDENTS TO RECORD

- A. BWCs allow for a clearly documented, first-hand, and completely objective account of an incident and will produce the maximum amount of information regarding the incident to be captured. Therefore, all personnel assigned to or assisting in that event shall activate their BWC immediately upon acknowledging dispatch to a call for service or in the performance of a proactive event as soon as is safely possible.
- B. Except when otherwise restricted in this SOP, officers shall video and audio record all law enforcement activity including any interaction with a civilian. However, if an immediate threat to the officer's life or safety makes activating the BWC impossible or dangerous, the officer shall activate the body worn camera at the first reasonable opportunity to do so. Examples of such required recordings include, but are not limited to:
 1. All traffic stops from the initiation of the stop until the stop is concluded, including sobriety testing.
 2. All calls for service.
 3. Stationary police details, such as DWI checkpoints, car/truck inspections, seatbelt use checkpoints, extra duty assignments at ABC establishments where alcohol is consumed (ABC establishments, festivals, etc.).
 4. Crash scenes, including interviews on the scene.
 5. Crime scenes except for crime scene processing.
 6. Motor vehicle and foot pursuits.
 7. Investigations of criminal violations (not to include undercover investigations or related surveillance activities).
 8. Any call for service related to a violation or suspected violation of possessing or consuming alcohol, marijuana, hashish, or cannabis item.
 9. Investigative detentions / field interviews.
 10. Out-of-court identifications (i.e., show ups, lineups).
 11. Warrantless searches (all types, including frisks, but not strip or body cavity searches).
 12. Search or arrest warrant execution (entire execution).

13. Arrests.
 14. Arrestee/prisoner transportation.
 15. Drug recognition expert (DRE) evaluations.
 16. Overdose and suspected overdose investigations.
 17. Emotionally disturbed person investigations / encounters.
 18. When an officer uses force or constructive authority, or reasonably believes that constructive authority or force may be used in any encounter or situation not otherwise listed in this subsection based on specific and articulable facts warranting heightened caution (must be documented by narration on the recording and/or in any investigation report).
 19. Special events or projects, including but not limited to crowd control, unruly crowds, or incidents requiring activation of the all-hazards or emergency operations plan.
 20. Domestic violence investigations.
 21. Strikes, picket lines, demonstrations.
 22. Officer initiated pedestrian stops.
 23. Welfare checks of residents and motorists (motorist aid).
 24. When an officer reasonably believes that any other officer on the scene has undertaken or is engaged in any of the foregoing police actions/activities.
 25. Any contact that becomes adversarial when the BWC has not already been activated.
- C. Notwithstanding any other provision of this SOP, when an officer equipped with a BWC is dispatched to or otherwise goes to the scene of an incident knowing or reasonably believing that police deadly force has been or is being employed, or to a scene where an officer has requested emergency assistance (e.g., an officer in distress, shots fired, etc.), the officer shall activate his/her BWC before arriving at the scene when feasible.
- D. Notwithstanding any other provision of this SOP, an officer while at the scene of a police deadly-force event, pursuit resulting in a death or serious bodily injury, in-custody death incident, or the on-scene investigation of such events shall not deactivate his/her BWC unless instructed to do so by the independent investigator supervising the investigation of the incident pursuant to *Attorney General Law Enforcement Directive 2019-4*. The independent investigator or his/her designee supervising the investigation may provide such instruction telephonically.
- E. BWC shall remain activated for the entire duration of a public contact required in section III.B above until the officer has departed the scene and the officer has notified communications that the event is closed.

- F. When a BWC is activated to transport an arrestee/prisoner, it shall remain activated at all times while the BWC-equipped officer is in the presence of the arrestee and until the arrestee is secured in the processing room or a cell, or until custody of the arrestee has been transferred to county jail personnel, or until the arrestee is with hospital/medical/mental health personnel and the officer is no longer in the presence of the arrestee.
- G. When wearing a BWC, officers shall notify the subject of the recording that they are being recorded unless it is unsafe or unfeasible to provide such notification. Such notification shall be made as close to the inception of the encounter as is reasonably possible.
 - 1. Prior to entering a private residence, officers shall notify the occupant that the occupant is being recorded and, if the occupant requests the officer to discontinue use of the BWC, the officer shall immediately discontinue use of the BWC unless the officer is actively engaged in investigating the commission of a criminal offense, or is responding to an emergency, or reasonably believes that the officer will be required to use constructive authority or force.
 - 2. When interacting with an apparent crime victim, officers shall, as soon as practicable, notify the apparent crime victim that he or she is being recorded and, if the apparent crime victim requests the officer to discontinue use of the BWC, the officer shall immediately discontinue use of the BWC.
 - 3. When interacting with a person seeking to anonymously report a crime or assist in an ongoing law enforcement investigation, if the person requests that the officer discontinue use of the body worn camera, officers shall evaluate the circumstances and, if appropriate, discontinue use of the BWC.
 - 4. If the officer decides not to provide notification of BWC activation because it is unsafe or unfeasible to do so, the officer shall document the reasons for that decision in the investigation report of the incident and/or by narrating the reasons on the BWC recording.
 - 5. The failure to verbally notify a person pursuant to this section shall not affect the admissibility of any statement or evidence.
- H. If a civilian inquires of an officer whether the officer is equipped with a BWC, or inquires whether the device is activated, the officer shall answer truthfully unless the Monmouth County Prosecutor or his/her designee, or Director of the Division of Criminal Justice or his/her designee, has expressly authorized the officer to make a covert electronic recording.
 - 1. Officers may deactivate a BWC when a civilian conversing with the officer requests that the device be turned off under circumstances where it reasonably appears that the person will not provide information or otherwise cooperate with the officer unless that request is respected (e.g., prior to providing such information, the person indicates that he/she will only provide such information if it were not recorded; provided however, that the agreement to participate under that condition is itself recorded).

- a. Officers shall not suggest to the person that the BWC should be deactivated; nor shall the officer ask the person whether he or she would prefer that the BWC be deactivated. Rather, the request for deactivation must be self-initiated by the civilian. The officer may explain the consequences of deactivation (e.g., evidence relevant to a criminal investigation will not be recorded).
 - b. In deciding whether to deactivate the BWC, the officer shall consider the privacy and safety interests of the person requesting deactivation, whether the encounter is occurring in the person's residence, and the need for the information or assistance that the person will provide is important to the investigation yet is not critical to require recording.
2. Officers may deactivate a BWC when a person, other than an arrestee, is seeking emergency medical services for him or herself or another and requests that the BWC be deactivated. In deciding whether to de-activate the BWC, the officer shall consider the privacy interests of the person requesting deactivation and the person in need of medical assistance (e.g., a victim of an assault during a fight does not want to be recorded, etc.). However, in situations when an officer reasonably believes that the officer or another person is likely to use force, the BWC shall be re-activated as soon as it is safe and practicable to do so.
 3. When an officer deactivates a BWC:
 - a. The conversation between the officer and the civilian concerning the request for deactivation shall be electronically recorded.
 - b. The officer before deactivating the BWC shall narrate the circumstances of the deactivation (e.g., "*...I am now turning off my BWC as per the victim's request*").
 - c. The officer shall report the circumstances concerning the deactivation to the shift supervisor as soon as is practicable.
 - d. The officer shall document the circumstances of the deactivation in the law report concerning the incident under investigation, including the time of activation and/or deactivation.
 4. If an officer declines a request to deactivate a BWC, the reasons for declining the request (e.g., the officer believes that there is a reasonable possibility that it may be necessary to use constructive authority or force during the encounter) must be memorialized on the recording and documented and shall be reported to the watch commander as soon as it is safe and practicable to do so.
 - a. In the event that the officer declines a deactivation request, the officer immediately shall inform the person making the request of that decision.

- b. Officers are prohibited from misleading the person making the deactivation request into believing that the BWC has been turned off when in fact it is operating unless the Monmouth County Prosecutor or his/her designee, or the Director of the Division of Criminal Justice or his/her designee expressly has authorized covert recording.
5. Officers should deactivate/mute a BWC while participating in a discussion pertaining to criminal investigation strategy and planning (e.g., to consider what investigative techniques to pursue, such as what questions to pose to a suspect or witness, whether to summon a drug/explosives detection canine, whether to apply for a search warrant, whether to request permission to conduct a consent search, or to conduct another type of warrantless search, etc.), provided that the strategy/planning discussion is not conducted in the immediate presence of a civilian and further provided that the BWC-equipped officer is not actively engaged in the collection of physical evidence (i.e., conducting a search). When an officer deactivates a BWC pursuant to this section, the officer shall narrate the circumstances of the deactivation (e.g., "...I am now turning off my BWC to discuss investigative strategy with my supervisor").
6. Officers can deactivate a BWC when specifically authorized to do so by an assistant prosecutor for good and sufficient cause as determined by the assistant prosecutor. When an officer deactivates a BWC pursuant to this section, the officer shall narrate the circumstances of the deactivation indicating the assistant prosecutor who authorized the deactivation (e.g., "...I am now turning off my BWC as per the instruction of assistant prosecutor (insert name)").
7. If an officer is required to deactivate the BWC when entering a school, house of worship, health care facility, substance abuse treatment center, etc., the officer shall narrate the reason for deactivation (e.g., "...I am entering a school building where children are present."). The BWC shall be reactivated as soon as it is safe and practicable to do so if and when the circumstances requiring deactivation no longer exist (e.g., the officer is conversing with an adult as part of a criminal investigation while in a place within the school where children would not be in view of the BWC). School resource officers should not activate their BWC unless involved in any incident listed in section III.A of this SOP.
8. In the event that a BWC captures the image of a patient in a substance abuse treatment facility, the Chief of Police or his/her designee shall notify the Monmouth County Prosecutor or his/her designee to ensure compliance with all applicable federal laws and regulations providing for the confidentiality of substance abuse treatment information (42 USC § 290dd-2, 42 CFR §23.1 to 23.41). The recording shall not be accessed without the permission of the Monmouth County Prosecutor or his/her designee. (Note that destruction of the recording would be inappropriate until it has been determined that it had not captured exculpatory information that must be provided to a defendant in discovery.)

- I. Officers shall not activate a BWC, and shall deactivate a BWC that has been activated, if the officer knows or reasonably believes that the BWC would capture the image of an undercover officer or confidential informant or otherwise would pose a risk to the safety of an undercover officer or confidential informant, unless such activation is expressly authorized by a supervisor, or unless the exigency of the situation and danger posed to an officer (e.g., active shooter, actual use of police force, officer in distress, etc.) require that the encounter/incident be recorded, in which event the officer shall inform the shift supervisor that the image of an undercover officer or confidential informant was recorded. The BWC shall be activated/reactivated as soon as it is safe and practicable to do so if and when the risk of capturing the image of an undercover officer or confidential informant no longer exists.
- J. Officers shall not activate a BWC while in a courtroom during court proceedings, unless the officer is responding to a call for service or is authorized to use constructive force or authority, or unless the presiding judge expressly authorizes such activation.
- K. BWC shall be deactivated or removed while in the ALCOTEST area when the ALCOTEST device is being used. Nothing herein shall be construed to preclude the use of a BWC to record the behavior of a person arrested for driving while intoxicated other than while the person is in the ALCOTEST area while the ALCOTEST device is being operated. If this provision requires deactivation of a BWC, the officer shall narrate the reasons for deactivation (e.g., "*...I am deactivating the BWC because the suspect is about to take a breath test*"), and the BWC shall be reactivated when safe and practicable to do so following the completion of the breath testing operation.
- L. When a BWC is activated, officers shall state the time and are encouraged to provide narration where practical and appropriate in an effort to augment the value of the recording and to provide clarity for the viewer. Likewise, immediately prior to BWC deactivation, officers shall state the time.
- M. Non-law enforcement personnel shall not be allowed to review the recordings at the scene of contact. Officer complaints shall be handled in accordance with the policies set forth in this department's *SOP on Internal Affairs*. All other requests to view and/or obtain footage by the public shall be handled in accordance with section V of this SOP.
- N. If an officer fails to activate the BWC, fails to record the entire event contact, or interrupts the recording, the officer shall document in the applicable law report the reasons why a recording was not made, was interrupted, or was terminated.

IV. OFFICER AND SUPERVISORY RESPONSIBILITIES

- A. BWC will be assigned to uniformed sworn personnel under the rank of captain working in a uniformed capacity in the field including those uniformed sworn personnel working extra duty assignments. SLEO II and SLEO III shall also be issued and use BWC consistent with this SOP. BWCs shall be utilized on a daily basis.

1. Subject to availability, detectives and administrative officers shall wear BWCs when conducting arrests and while engaged in field duties (e.g., patrol coverage, search warrant executions, raids, etc.) consistent with the requirements and restrictions in this SOP.
 2. Officers shall also wear and use a BWC consistent with this SOP when:
 - a. On aggressive driving, DWI interdiction assignments, or other proactive enforcement team.
 - b. When assigned to front desk assignments and interacting with the public on a law enforcement matter.
 - c. When assigned to or assisting any tactical team in the field.
 - d. When assigned to duties at demonstrations or potential civil disturbances.
 3. When not in use, BWCs shall be stored in the designated docking stations. The docking stations allow for the units to be charged and for the download of events to the BWC server.
 4. Prior to beginning a shift, officers assigned a BWC will ensure its readiness by conducting an operational inspection. Officers shall also inspect BWCs at the conclusion of each shift to ensure system integrity.
 5. Officers shall note the BWC camera number on the BWC log.
 6. When conducting the pre-shift inspection, the officer shall activate the BWC and verbally state the date, time, and that a test is being performed on the unit.
 7. The results of the inspection, including any malfunctions or deficiencies, shall be noted on the BWC log.
 8. Any problems preventing the use of the unit during the shift will be reported to the watch commander with a CAD record generated noting the details of the problem.
 9. Officers shall also inspect BWCs at the conclusion of each shift to ensure system integrity.
 10. Officers will dock their BWC for download to the BWC docking station upon completion of their shift.
- B. All officers assigned a BWC are responsible for its use and maintenance during their tour of duty.
- C. Officers will wear the BWC mounted to the front of the uniform or outermost garment on the center of the chest.
- D. Depending on the officer's height, officers shall ensure the height of the BWC remains in a position to allow the recording of an encounter or incident.

- E. When video/audio footage is captured involving any part of an arrest or significant event, officers will tag the recording with the incident number and the defendant's name and type/write the letters *BWC* (including BWC number) in all capital letters at the end of the law report to signify that video/audio is available for the case.
1. Officers shall also document the time(s) the BWC was activated and the time(s) that the BWC was deactivated.
 2. BWC recordings are not a replacement for written reports. Under no circumstances shall officers simply refer to a BWC recording on a law report instead of detailing the facts and circumstances of their investigation/observations.
 3. Officers shall also ensure that the pertinent RMS record is annotated with an entry noting a BWC was used.
- F. BWC recordings that have been tagged as having evidentiary value shall be copied as soon as practicable to a CD/DVD and stored as evidence in accordance with this department's *SOP on Property and Evidence*.
- G. To identify BWC recordings that may raise special privacy or safety issues, officers shall appropriately label recordings that:
1. Captured a law enforcement incident, as defined in *New Jersey Attorney General Directive 2019-4*:
 - a. Any use of force by a law enforcement officer resulting in death or serious bodily injury.
 - b. Any use of deadly force (including the discharge of a firearm) by a law enforcement officer, regardless of whether such force resulted in injury.
 - c. The death of any civilian during an encounter with a law enforcement officer; and
 - d. The death of any civilian while in the custody of law enforcement.
 2. Captured the image of a victim of a criminal offense.
 3. Captured the image of a child.
 4. Were made in a residence (e.g., a home, apartment, college dormitory room, hotel/motel room, etc.), a school or youth facility, a healthcare facility or medical office, a substance abuse or mental health treatment facility, or a place of worship.
 5. Captured a conversation with a person whose request to deactivate the BWC was declined.
 6. Captured a special operations event or execution of an arrest and/or search warrant where confidential tactical information may have been recorded.

7. Captured the image of an undercover officer or confidential informant; or
 8. Captured the screen of a law enforcement computer monitor that is displaying confidential personal or law enforcement sensitive information.
- H. Watch commanders are responsible for ensuring that on-duty officers are equipped with functioning BWCs at the beginning of each shift.
1. Supervisors and commanders will conduct random formal reviews of selected recordings in order to assess officer performance as well as to flag video/audio that may be appropriate for training purposes.
 2. Supervisors shall formally review all instances when a BWC is deactivated prior to the conclusion of an incident and forward the documented review through the chain of command to the Chief of Police or his/her designee.
 3. If an internal affairs complaint is associated with a recorded event, or an officer believes an incident may generate an internal affairs complaint, the watch commander will label the video/audio for indefinite retention.
 4. Subject to the viewing restriction in subsection V.D.4 (below), supervisors shall review all available recordings as a component of the meaningful review process in all incidents requiring such a review. Such incidents requiring a meaningful review include:
 - a. Use of force.
 - b. Motor vehicle and foot pursuit.
 - c. Officer-involved motor vehicle crashes.
 - d. Officer-involved injuries.
